## PROSPECTUS

### 23 NUMBER OF ENTRIES PER ASSOCIATION

180

According to the 2021 ITTF International Events Directives, we have to limit the number of entries to players in total.

Only the final entries are taken into consideration by the ITTF Competition Manager and Organizers.

Full details about entries' numbers can be found in the 2021 ITTF International Events Directives but in general for the 2021 ITTF International Event, an indicative number of entries as follows:

**Singles:** Each National Association can enter players as may deemed necessary, but the ITTF reserves the right to approve less entries than the indicative 6 per NA and 12 for the host association per gender, in case of very high number of entries.

In these cases, a number will be guaranteed per NA and all remaining positions will be filled by WR, one per gender (eg. 1 male, 1 female and so on).

In cases of oversubscription, players for each NA will be approved by WR. All players in the seeded positions will be approved automatically and remaining positions per NA will be filled as well by WR. NAs will have the right to make replacements after, either with non-entered players or players from the Waiting List, with the restriction that the replaced player has to be removed from the entry list and cannot be put on Waiting List.

**Mixed Doubles:** Maximum 2 pairs or 4 players per NA (including the Host Association). Only pairs from the same NOC are allowed.

For all doubles the selection is otherwise done according to the Doubles Ranking. Only the Top pairs up to the maximum numbers indicated on the International Events Directives and the maximum numbers per NA as described above will be approved.

Entries in singles and doubles will be approved based on the final number of entries and excess entries will be put on Waiting List.
